

Codicils to Wills

Remember your church in your will:

Many members and friends have been blessed and want to give generously to the Lord, but have concerns about health, outliving their resources, etc. One good way to give back to God while balancing our earthbound concerns is to remember the church in your will. For example, some faithful folks tithe 10% (or more) of their estate to the church. After our worldly cares are over, what a wonderful legacy to our faith!

In order to facilitate church members to remember their church in their will, we are pleased to provide codicils that can be simply filled out and attached to their Last Will and Testament. There is one file for married individuals, one for single individuals and a guide as to how to fill out the form.

Gifting Stock to the Church

If you wish to make a contribution to the church by contributing stock, click on the following link for instructions and a simple “fill-in” form. You **may** be eligible to take this gift, at current market value, as a tax deduction without recognizing capital gains. Check with your tax advisor if you are not certain about your particular situation in this regard.
